# YEAR 11

# REVISION

# SCHEDULE 2018

At Bishop Rawstorne we run an extensive programme of revision sessions, both during the school day (usually at lunchtimes) and after school (3:30pm - 4:30pm)

Due to the high amount of subjects and sessions we run, inevitably there are clashes and in these cases students need to look carefully at where they feel they most need to be. Students will not be able to attend all sessions, and although choice is difficult, sometimes it essential to ensure that the hard working students in the year group don't end up doing too much.

I urge you to closely look through the programme and decide the sessions that you feel will benefit you the most and ascertain when they are and, if they are after school, how you will get home.
