

1 October 2019

Dear Parent/Guardian

REVISION GUIDE AND WORKBOOK FOR GCSE COMPUTER SCIENCE STUDENTS

As you are aware, your child is studying the Computer Science GCSE. This comprises two examinations in the summer of Year 11. To support your child, we recommend that they purchase the Computer Science revision guide and workbook. This textbook will assist your child in their studies and preparation for success within Computer Science.

The textbook is available for £5.50; and includes a code for an online copy too. Should you wish your child to make the most of this revision opportunity, please make payment on 'School Money' by following the link in the text message sent to the primary contact held on our system by Friday 11 October 2019.

Yours sincerely

Mr C Acosta
Second in Faculty – Technology, Art, and Computing
