

# Our and Are

So simple!

But

Some still get confused!

# Why?

- Because we are lazy speakers and both words sound the same or similar when we say them.
- However, they mean very different things!
- Our means belonging to us.
- Are is a form of the verb, To be.

# The verb "To be"

- "To be or not to be, that is the question."
- The verb "To be" goes like this:
- I am
- You are
- He (or she or it) is
- We are
- You are
- They are

# So, that's not hard is it?

- Fill in the right word in the gaps.
- You \_\_\_\_\_ in trouble!
- You smashed \_\_\_\_\_ window.
- \_\_\_\_\_ Mum and Dad \_\_\_\_\_ going to be angry.
- They \_\_\_\_\_ coming round your house!
- You should have smashed your own window, not \_\_\_\_\_!

# Easy!

- So no more confusion when you write please!
- Our standards need to improve if we are to get better results!
